Cross-Origin Resource Sharing (CORS) - HTTP | MDN

As you probably know very well by now, the internet is made up of a bunch of interconnected computers called servers. When you are surfing the web and navigating between web pages, what you are really doing is telling your browser to request information from any of these servers.

Service Requests | Dell Australia

Using the Requests Window You can use the Requests window to view a list of all submitted concurrent requests, check whether your request has run, change aspects of a request's processing options, diagnose errors, or find the position of your request in the queues of available concurrent managers.

House Dems launch expansive Trump probe with slew of ...

Requests for Research It's easy to get started in deep learning, with many resources to learn the latest techniques. But it's harder to know what problems are worth working on. We're publishing a living collection of important and fun problems to help new people enter the field, and for enthusiastic practitioners to hone their skills.

DOCUMENT REQUESTS -

The Official Information Act (OIA) is an important part of New Zealand's constitutional framework. The OIA allows New Zealanders to have access to information that enables their participation in government, and hold governments and government agencies to account.
